
To Our Idols

Idols: Whom do we look up to? What things inspire us? From places to objects to people - contemporary, historical or fictional, famous or not, Idols seeks each artists creative answers to these questions. Using both boldest strokes and humblest tones, Idols invites you to explore this theme. Artists may express themselves in, but are not limited to photography, watercolor, painting, mixed media, sculpture, music, performance, video, drawing, cartoon and more. This is a juried exhibition.
